

International Conference on Computational Thinking Education 2019

Keynote Speakers

Dr. Leigh Ann DELYSER
CSforALL,
The United States

Prof. Chee-kit LOOI
Nanyang Technological University,
Singapore

Prof. Jan VAHRENHOLD
University of Münster,
Germany

Prof. Valentina DAGIENĖ
Vilnius University,
Lithuania

Prof. Ju-ling SHIH
National University of Tainan,
Taiwan

Invited Speaker

13 – 15 June 2019

The Education University of Hong Kong

About CTE2019

International Conference on Computational Thinking Education 2019 (CTE2019) is the third international conference organised by Coo/Think@JC for worldwide sharing of ideas as well as dissemination of findings and outcomes on the implementation of computational thinking development.

Venue

Conference Centre, The Education University of Hong Kong
10 Lo Ping Road, Tai Po, New Territories

Registration

Registration fee waived for local primary/secondary school teachers

Enquiry

cte2019@eduhk.hk / 2948 8554
